\$210,000

This very well maintained, fully furnished, three bedroom property has had the same awesome tenants since 2021 currently paying \$380/week. The company is liable for the lease, which means rent is always paid on time and the property is kept clean and tidy. There is a good kitchen and bathroom, with polished floorboards throughout. The good sized yard has two garden sheds. It can't be easier to buy an investment property, than with tenants and furniture all in one. Property Code: 1509
