Desirably situated just steps from Stirling Reserve and offering easy access to Central Square's shops and services, schools and Altona Sports Centre, this inviting home also surrounds itself with the generous front and rear gardens of an ideal allotment. Stylishly low-maintenance engineered timber flooring, effective downlights and heating/cooling complement a living/dining area that incorporates a contemporary open-plan kitchen where stone bench-tops, stainless steel appliances, a substantial meals island and subway tiled splash-backs reflect stylish excellence. Two fully tiled bathrooms, including a full size family bathroom that's also accessed directly from the main bedroom, further illustrate the impressive updating of a three bedroom design. Decked pergola entertaining, the rear garden's established lawns, a secure garage/work-shop, a large carport and generous paved areas under a shade sail add to the appeal of a property offering ideal options for young families and investors alike.
