Desirably located in sought after North Hobart, this cottage has a charming façade and many original features throughout. With a flexible floorplan and within walking distance of the popular North Hobart Strip and Hobart's CBD this is a home that will appeal to home buyers and investors alike. All four bedrooms are generous in size, with a master suite at the back with ensuite and built in robes, and another bedroom at the front enjoying dual access to the central bathroom with bath tub and adjacent laundry. A spacious, light-filled lounge at the back of the home is open plan next to the galley style kitchen and a door from this area opens onto the garden to create indoor/outdoor living. Original open fireplaces and surrounds, stained glass, picture rails and ornate timber detailing enhance the ambience of the home, and reverse cycle air conditioning ensures year round comfort. Close to excellent local schools, including The Friends' School just across the road, local sporting amenities, the historic State Cinema and many local bars, cafes and restaurants, this delightful character filled home is perfectly positioned to offer the very best of city fringe living.
