This fantastic five bedroom family home has been masterfully designed to fully embrace the stunning, sweeping views to the Brinabella Ranges from its elevated position, whilst capturing a sense of living in your own private treetop escape! Along with the views, an abundance of light comes from floor to ceiling windows which extend across the entire front of the home, with both living and master bedroom zones enjoying the vista. The home sits proudly on a 907 m² elevated parcel of land and is unique from the moment you step towards the front entry, with its considered positioning, on the fabulous oversized and elevated deck, the perfect spot for entertaining or just relaxing and taking in the stunning views. On entry you immediately sense the abundance of space on offer, with the light filled family room and open-plan modern kitchen, the perfect central hub for modern family living, enhanced with the ambience of a recessed, stone feature, gas fire-place. The formal lounge and dining area is next to be enjoyed, offering scope for multiple living configurations due to the generous proportions of the space. The entire room has the valley views to be savoured, whilst appreciating this calming space. All four bedrooms on the upper floor are of generous size with built in robes and the master featuring a walk-in robe and a newly renovated ensuite. The kitchen is a chef's delight, boasting quality stainless appliances, double oven, granite bench tops and plenty of cupboard and drawer space for all your culinary needs. A luxury, hotel experience was the design criteria for the newly renovated main bathroom. Floor to ceiling tiles, large spa bath and spaciousness, for moments of relaxation and care, alongside busy bathroom family functionality. Downstairs offers a self-contained, one bedroom ensuite apartment with a functional kitchen and its own separate entry, perfect for the growing family or an opportunity by which to generate a rental income. The garage offers two car accommodation with internal access, room for a workshop and a large extra storage room. The front and rear gardens are all well-established, tastefully landscaped and of low maintenance. Stress relief is at your doorstep, with the scenic Isaacs Pine Forrest set to please nature lovers, mountain bike riders and dog walkers alike.
