This beautiful property is in a prime court location, walking distance to Cowes Golf Club and Silverleaves beachfront, however by far the most incredible attribute of this property is the ability to walk directly out the front door and onto the wetlands. This architecturally designed home captures all the natural light and surrounding aspects. The main living area is one of the main features with 3.9 metre ceilings with highlight windows gathering all the natural light. The property features 3 bedrooms all with robes , Master complete with WIR & ensuite with disabled access facilities. A big advantage the home is built across one level with no steps to navigate to make life easy. The kitchen area overlooks the north facing backyard which is the perfect place to relax and enjoy the sun. This property would suit either permanent or holiday living with a fantastic location all only minutes to all of the Islands attractions.
