Upsize your home and upgrade your family lifestyle with this high-quality family residence on a low-maintenance corner block across the road from Tunstall Park! Packaging sleek style, contemporary comfort and everyday functionality within a generous 27sq (approx.) two-storey layout, this modern freestanding residence excels with its two living areas, four spacious bedrooms (two with ensuite), deluxe finishes, loads of storage space and indoor-outdoor lifestyle enjoyment. A downstairs master bedroom (with ensuite and walk-in robe) grants parents with the privacy they crave; a peaceful upstairs layout featuring a carpeted retreat, three robed bedrooms (one with ensuite) and a chic family bathroom with a divine soaker bath offers enhanced family flexibility, privacy and comfort. The impressive size and scale of the radiant open-plan living instantly appeals, as does the relaxed park views from the sun-kissed dining and modern family-sized kitchen. Sliding doors also integrate this fashionable space with a private grassed courtyard to deliver a desirable indoor-outdoor aspect. Ducted heating, refrigerated cooling and a remote double garage (with internal access), this superbly built residence is moments from Blackburn Square, Blackburn Station Village, schools, Blackburn Lake Sanctuary, Nunawading train station and the Eastern Freeway.
