Mallala is about country living and all that it has to offer. Location just around the corner from Mallala Primary School & an easy stroll to the town's shops, this will certainly appeal to a family. This timber framed home has three bedrooms, all with built in robes and split system a/c units. A good size kitchen with plenty of cupboards, meals, lounge, family room, a home office or study. The bathroom has a shower and second toilet. To keep the cost of power bills down it has solar panels. Outside a double garage, rear veranda and garden shed set amidst the garden.
