Property Highlights:- 3 bedrooms, 1 bathroom-
Blank canvas for renovation- Ideal for those with vision and creativity
Unleash Your Imagination: This property is a blank canvas awaiting transformation into your dream home. With the interior completely stripped, you have the opportunity to customize every aspect to your preferences and style. Whether you're looking to renovate and flip for profit or create a personalized living space, the possibilities are endless.
Convenient Location: Despite its current condition, 4 McFarlane Road is conveniently situated in a desirable area, close to schools, parks, and amenities. This makes it an ideal location for those seeking a renovation project with the added benefit of convenience.
Sustainable Living: In addition to its renovation potential, this property is equipped with a state-of-the-art solar power system. Harnessing the energy of the sun, the solar panels provide sustainable and cost-effective electricity for your home. The strategically placed panels maximize exposure to sunlight, allowing you to reduce your carbon footprint while enjoying the benefits of renewable energy.
Cutting-Edge Technology: The property also comes with a cutting-edge Tesla battery storage system. This innovative technology allows you to store excess solar energy generated during the day, ensuring a reliable power supply even during periods of low sunlight. The Tesla battery also provides backup power in case of grid outages, enhancing the resilience of your home.
