\$795,000

Owner occupied home with appealing, well presented façade does not disappoint upon inspection. The home is in A1 condition and the presentation is impressive!* Super-king master bedroom has walk-in-robe, en-suite and additional split system air-conditioner, ideal for the shift worker. The other bedrooms, including the versatile 4th/guest quarters, also have built-in-robos and ceiling fans.* Smart remodelled kitchen has pantry space galore, deep drawers, new dishwasher and breakfast bar onto open plan living and meals, and flows through to expansive stencil-crete covered entertainment area.* Separate light filled family room opens to and over looks the level yard with lush lawn.* Double garage with auto doors plus rear yard access to two bay shed with power.* A complete home that is low maintenance and move in ready!
