Welcome to your dream family home nestled within walking distance to the Clyde Creek Wetlands. This modern 4-bedroom, 2-bathroom residence boasts two spacious living areas, offering the perfect blend of comfort and convenience for your family's lifestyle. Approaching this charming property, you'll be captivated by its contemporary design and lush landscaping. Step inside, and you'll immediately notice the thoughtful layout that defines this family haven. The heart of the home is a generously sized open-plan kitchen and living area, bathed in natural light from large windows that frame the rear of the property and provide access out to the large wrap around garden. The well-appointed kitchen features sleek, stainless-steel appliances, ample counter space, and a spacious island, making it a hub for family gatherings and culinary adventures. Adjacent to the kitchen, the living area is designed for relaxation and entertainment, with plenty of room for plush seating and a large-screen TV. It's the perfect spot for cozy movie nights or enjoying quality time with loved ones. A second living area provides flexibility for various activities – it can serve as a dedicated playroom for the kids, or just somewhere for you to unwind with a glass of wine. Your family will have space to grow and adapt as your needs change over time. The four bedrooms are comfortably sized, with the master suite to the rear, featuring an ENS bathroom and BIR, ensuring privacy and convenience. The additional bedrooms share a modern bathroom with all the amenities you need. Outside, you'll discover a well-maintained backyard where you can create your own outdoor oasis. Whether it's a BBQ on the patio or a game of catch on the lawn, you'll have plenty of space to enjoy the fresh air and beautiful surroundings. This property offers everything a family could desire – a modern design, spacious living areas, a serene natural environment, and the convenience of nearby wetlands. Don't miss the opportunity to make this your forever home. PLEASE NOTE: THIS HOME IS CURRENTLY TENANTED UNTIL APRIL 2024. Other considerations include:- Ducted Heating- Evaporative Cooling- Stunning location.
