Here we have a family home, a safe haven, a bastion of dependability seeking new owners to craft a lifetime of happy memories. This contemporary low-set property is modern and stylish, with a suite of attractive features that'll appeal to everyone from smart investors to growing families seeking a new abode. When you arrive, an exquisite front yard greets you, with green lawns and well-tended beds framing the flawless façade. A paved, wide driveway leads to the double lock-up remote garage, while on the left there is side access to a driveway leading to an additional, standalone double garage at the rear of the property. With two additional large water tanks that run back to the toilet and laundry. As well as automatic irrigation systems in both the front and back yard. Indoors, the entry hall leads into the social heart of the home – the open-plan dining, kitchen, family and living area. Wall-to-wall tiles, plenty of natural light and a crisp, clean aesthetic make this a space that feels good to be in. Entertainers will love the functionality of the kitchen, the convenience of the air conditioning and the masses of space on offer. Sliding glass doors lead out to a covered and enclosed alfresco area, primed for year-round enjoyment. A flat and privately fenced backyard awaits, complete with a nursery enclosure for plants and plenty of paved areas. The three bedrooms are generously proportioned, each one coming with carpets and a ceiling fan. Two have built-ins, while the master has a walk-in robe and a shiny ensuite, which shares a similar aesthetic with the main bathroom. You'll love the carpeted office space, which has a built-in desk and shelving, perfect for remote work or kids studying! A stone's throw from Stockland Forster, you have restaurants, shops, amenities and cafes all on your doorstep. All the beaches and outdoor attractions of the area are within easy reach too, allowing for a perfect life balance. Get in touch with the JKL team today with your questions, we're here to help!
