This stunning executive home just moments from Moana Beach is waiting for you to make it your own. Just two years young, this contemporary home offers a coastal lifestyle like no other with spacious living areas, superb styling, and on-trend finishes. There is nothing to do here but simply move in and enjoy. At the heart of the home, the open plan living and dining zone is light and bright. The gourmet kitchen is fit for a chef with a walk-in pantry, smeg oven, cook top and rangehood, herringbone tiled splash back and an island bench with sparkling glass pendant lighting. Just down the hall, you will find the separate lounge room ideal for entertaining guests, as a media room or perhaps a guest bedroom. The master suite is tucked away at the front of the house for peace and quiet. Huge windows fill the space with natural light and it boasts a sparkling ensuite and walk-in robe. There are three further bedrooms with built-in robes that share the three-way family bathroom. You'll be comfortable all year round with ducted heating and cooling throughout, and the 13.3kw rooftop solar system will keep the energy bills at bay. In addition, the easy-care yard will ensure that you can spend your weekends enjoying everything this community has to offer. Every day will feel like a holiday here! You can start your weekends right by visiting the Willunga Farmers Market on a Saturday morning to buy your local produce. Take the dog for a walk or enjoy a morning swim at Moana. There is no need to compromise on convenience, with shops, excellent schools and public transport nearby.
