## EXPRESSIONS OF INTEREST

Rarely do opportunities like this come along – the chance to purchase a flat parcel of land in the popular seaside town of Low Head. The chance to build your own beach retreat or perhaps just a simple shack. Being near the water has been proven to make us happy and calm and the sea air stills our mind. There is town water & sewer, the block is fully fenced, and the flat terrain will make for an easy build. Design your space to capture views of the Tamar River merging into ocean, a rare opportunity to create a home perfectly tailored for those who value tranquility, and a peaceful waterfront lifestyle. Old Coast Road is a quiet no through road that has direct and easy access to the popular Lagoon Beach. Drive a short distance or better still ride your bike (I promise you there are no hills to battle) to George Town for groceries or a meal. Grab your sun umbrella & book or your kayak & paddle and head to the beach or launch your boat from the very popular Low Head boat ramp, bait your fishing rod and head out to the big blue paddock for a spot of fishing – a world of adventure awaits you. • 780m<sup>2</sup> • Level fully cleared allotment • Fully fenced • Westerly facing • Views over water to Kelso • Walk to Lagoon Beach • 5 minutes by car to George Town
