The Railway Gatekeeper's Cottage at 4 Oliver Street, Glen Innes is for sale! Even in the historical town of Glen Innes homes of this character and charm at an affordable price rarely enter the market. Built in 1880's, the historical character of the property is shown throughout. The bathroom features a claw foot bath, open shower, vanity and toilet, the open plan kitchen and dining area has been modernised while keeping to the period of the home, the lounge room has a wood fire, keeping the cottage cosy through winter, two large bedrooms and an oversized mudroom/storeroom. Set on a long 857m² block there are multiple vegetable gardens, garden sheds, a chook run, well with hand pump and established gardens within the stone garden beds. As the property is surrounded by Railway Land, neighbours are distant creating the feeling of a private sanctuary. Unique properties such as this rarely enter the market.
