If you own a home in Kwinana Town Centre or surrounding suburbs, and are thinking of selling, engage the agent with a proven record! This home was sold off market to an over east investor, and we have sold many in surrounding areas to local and over east investors. I have an extensive network of buyers and investors, along with one Perth's largest buyer and real estate databases, and I know how to get you the asking price or more for your home. This is your opportunity to take advantage of the lack of supply in the market!
