A CONTEMPORARY CLASSIC IN THE GRANGE** WATCH OUR VIDEO PRESENTATION ** Discover a residence of unparalleled quality at 4 Pinto Way, Sunbury - an exquisite home nestled in a tightly held location. Every element of this stunning abode speaks to a commitment to both luxury and practicality. Boasting five spacious bedrooms, each designed with meticulous attention to detail, this residence is a testament to comfort and versatility. The master suite indulges with a lavish walk-in robe and ensuite, while three additional bedrooms feature double built-in robes. A fifth bedroom, adaptable as a home office, adds to the home's flexibility. At the core of this premium dwelling is a grand contemporary kitchen, a haven for culinary enthusiasts. Adorned with top-tier stainless steel appliances, expansive bench space, exquisite cabinetry, and a oversized walk-in pantry whilst effortlessly connecting to the open-plan dining area. Three large distinct living zones ensure ample space and privacy, creating an environment that will allow the family to have their space when needed and room to come together. The parents will have their retreat at the front of the home with a grand formal lounge with a feature fireplace whilst the main living zone is an open plan concept joining the kitchen, meals and living. Entertainment takes center stage with a dedicated theatre room, featuring bi-fold doors, an integrated bar, projector, and an immersive speaker system for unforgettable movie nights. Transitioning outdoors, an enclosed entertainment area beckons with a warm wood fireplace. Designed for year-round enjoyment, it is complemented by an immaculate garden, a pizza oven, and a built-in BBQ. Convenience is paramount, with an additional outdoor toilet. The property strategically divides its outdoor spaces into two distinct zones - a serene garden paradise for gardening enthusiasts and a substantial shed with 240-volt power and 15-amp power, offering storage space for extra cars, trailers, jet-skis, and more. Premium features abound, including a generous laundry with ample bench space, cupboards, and a walk-in linen closet. The double garage provides extra storage and convenient drive-through access. Modern comforts such as ducted heating, a split system, and vacuuming throughout enhance the living experience. Embrace eco-friendly living with 20 solar panels and three water tanks equipped with pumps - an ideal setup for garden maintenance. Crafted by JG King Homes with a Steel Frame build, terracotta roof tiles, abundant natural light, and impeccable finishes, 4 Pinto Way is more than a home; it is a symbol of quality living in a coveted locale.
