Introducing an exquisite new home and land opportunity at 4 Plant Street, West End, QLD, 4810. This stylish and contemporary 4-bedroom, 2.5-bathroom residence is perfectly positioned within the vibrant and eclectic suburb of West End. Designed for professionals seeking the ultimate in urban living, this generously proportioned 405 square metre block boasts 282m² under roof, two parking spaces, and council-approved plans, ready to commence construction by award winning builder Franzmann Constructions. The perfect balance of style and convenience, this sophisticated abode is just minutes away from the West End Private Hospital, parklands, cafes, and local shops. Inside, you'll be greeted by an array of high-quality finishes, including engineered hardwood flooring to the upper level and front cottage, polished concrete flooring in the open-plan living area downstairs, and custom cabinetry throughout. The gourmet kitchen features an island bench, a walk-in pantry, and stone benchtops, creating the perfect setting for culinary masterpieces and entertaining. Additional highlights of this luxurious home include full air conditioning, LED lighting throughout, 3.3m ceilings in the open-plan living area downstairs, raked ceilings upstairs, and two separate living areas. The four spacious bedrooms are complemented by two full bathrooms and two powder rooms, ensuring ample space and comfort for all residents. The property is completed with tasteful landscaping, a driveway, an electric Colourbond gate to the front driveway as well as a pedestrian gate, creating an inviting and secure environment for your new home. Don't miss out on this unique and highly desirable opportunity at 4 Plant Street, West End – a captivating address that promises a remarkable lifestyle experience. Call to arrange an inspection of a similar home almost complete.
