Are you looking for a cozy and charming home away from the hustle and bustle? If so, your little hearts will sing when you walk into this timber cottage-style home - a gorgeous, character-filled piece of magic! There are three bedrooms, three bathrooms, spacious office, a generous kitchen and a sitting room surrounding a wood burner. Added to this is a timber-lined dining and rumpus room which takes full advantage of the beautiful views - not only of the mountains but also the surrounding farmland. The wrap around timber deck allows for summer entertainment and opportunities to absorb those amazing views. The high-pitched ceilings and extensive use of timber create a wonderfully warm atmosphere. The sellers went to considerable expense and have sunk a very efficient bore in the garden which can pump 400l per hour of beautiful drinking water - this has allowed them to create a sensational garden with multiple fruit trees, a mature garden and plenty of space for vegetables. The property is situated on a generous 1023m² and is in a quiet cul-de-sac, The Beechmont community has a warm, vibrant and creative culture about it so... if this sounds appealing (and how could it NOT?) grab this opportunity to own a piece of paradise in a peaceful and scenic location.
