Unique, architectural designed homes have own street front access in a location that puts you right amongst all the lifestyle options that bayside living can offer. 'BlackMilk Interior Design' consulted on the interior finishes, maximising the comfort and livability of the home whilst ensuring a stylish and contemporary feel. Enjoy an easy walk to one of the Bay's best beaches, commuter convenience by train or nearby freeway arterials. Be spoilt with outdoor activity options with the renowned wetlands reserve, local sporting grounds and parks all at your doorstep. The Village cafe precinct in just up the street and the locals schools are all within easy reach. Featured appointments include : * Floorboards & Loop pile carpets* Split system heating/cooling to living and all bedrooms* Double glazing * 9 foot ceilings to lower level* Stacker doors to courtyard gardens* European Marble stone bench tops* Bosch oven, induction cooktop, dishwasher & rangehood* Dedicated home office* Walk-in robe to Master bedroom* Under stair storage* Water tank and ample garage storage * Colorbond roofing* Remote garage with internal access & additional parking
