Situated on a quiet street, surrounded by well-loved homes and lovely neighbours, this immaculate home should be seen to be appreciated! As you step into this stunning home you are greeted with quality tiles and high ceilings. This home offers 4 large bedrooms, 2 bathrooms and 2 separate living areas. This home is definitely an entertainers delight with a large kitchen overlooking the open plan living area which overlooks the alfresco area. Features Include:- 4 large rooms all with built in robes. The master bedroom offering his and hers walk in robes, the ensuite bathroom offers a single vanity with ample below bench storage and glass screen shower. The kitchen reveals an abundance of stone bench space and storage, 900mm stainless steel gas cook top, electric oven, dishwasher and high quality fixtures and fittings. A large open plan living and dining area and a separate theatre/formal living area located towards the front of the house. The property has reverse cycle air conditioning throughout and the reticulated lawns and gardens are low maintenance. A deceptively large property - this is your ideal next home.
