This stunning single level home offers everything you would want in a family home! Beautiful polished floors throughout the living areas and new carpets in the 3 bedrooms that all have built in robes. The open plan kitchen has soft close units, ample storage, gas cooking, a breakfast bar and a dishwasher and flows onto a huge living area with a separate sun room or second living area. This leads onto a fully enclosed back garden which is perfect for the kids to play in. There is ducted heating throughout and the living area has air conditioning. There is a family bathroom with a bath and shower and a separate toilet. There is also a separate laundry with loads of cupboards, a garden shed and a single garage and carport. This one has it all – be quick it won't last long at all!
