R&W Charlestown is proud to present this beautiful example of a well built modern home, located in one of Belmont North's best smaller sized, boutique housing estates. This lovely property has been solidly constructed/ designed and offers easy care living at its best and is located alongside other quality master built homes of the same era. Sporting a fresh coat of paint throughout, renewed gardens, an inspection of this property is very pleasing on the eye, you can move into this home without the need to spend a cent on it, as the current owners have kept it very well maintained. On offer here is three good sized bedrooms with built in robes/ceiling fans, the master bedroom adjoins the three way bathroom. There is a combined living/dining space and kitchen (with ample cupboard space) all are of generous proportions and benefit from a northerly aspect, whilst overlooking the reserve at the rear of the property. There is a large carport & double garage with (internal access), ready to store a caravan, boat or anything else you might want under cover. The rear yard is landscaped and of generous proportion for the kids or pets and offers access to the reserve via a rear lockable gate. There is a large workshop room under the house, with plenty of storage options available for a new owner, (it could be easily converted into a teenage re-treat). Located close to schools, shops, transport, beaches and Lake Macquarie, be quick this home won't last long!
