This little beauty is not your standard cottage. One of only a handful spread throughout the award winning suburb of Varsity Lakes. It is the attention to detail and thought that has gone into its design along with quality fixtures and fittings that sets it apart from other cottages. There are three good size bedrooms plus two modern bathrooms. All the wardrobes have custom made built-ins. There is a separate laundry and guest powder room. Extra wide hallway together with 9' ceilings feature decorative cornices provides a sense of space and style. Ducted air-conditioning throughout gives year round comfort. An undercover outdoor area laid with stylish stamped concrete and framed by low maintenance garden beds is just the spot to entertain friends and family.
