One of the last big blocks (1.20 HA - 2.96 acres) in a sought after area in Hidden Valley. The best of both worlds: A private sanctuary with forest views to the rear and an option for views across the valley from the front. An excellent building envelope will fit the biggest of homes. Backing onto a reserve trail along with private established woodlands with well-trodden bush trails this is the ultimate tree-change property. The block has access to natural gas, mains water, NBN, electricity and has sealed roads and other urban conveniences in the local township. The neighbourhood is filled with quality homes, and must be one of the most tranquil in Melbourne; Hidden Valley is one of the most popular lifestyle estates in the area and with the brand new multimillion dollar country club now being open just down the road, it has added even more appeal. Also, you are just a few minutes drive from Wallan's shopping precinct and train station. You can commute into Melbourne in around an hour via the V/Line train or the Hume Freeway. Hidden Valley is also serviced by buses from many schools near and far. Enquire now with your local Hidden Valley - Wallan agent, Peter Hess on 0413 003 140. House renderings are there for illustrative purposes only.
