Just across the road from the Wandina Primary School and conveniently close to the local shopping centre this home is perfectly positioned for the young family through to the investor due to its sought after location. The double garage is accessed from the brick paved drive and a curved path leads past the front garden to the entrance. The use of the same tile throughout the passageway, kitchen, and open plan living adds to flowing feel of the home. The master bedroom is to the front of the home and has a good size robe and neat ensuite. A separate lounge is located near the entrance. The kitchen has an abundance of bench and cupboard space and a wide breakfast separates it from the dining and family areas. The patio is accessed from the living area and is in a protected position overlooking the rear yard. There is good access to the rear yard due to the wide frontage of the lot. The main bathroom that has a shower and bath is convenient to the minor bedrooms.
