Displaying pitch perfect harmony between heritage elements and stylish new updates, Landsborough is a freestanding four bedroom Edwardian that exudes class and exhibits enviable spaciousness. Sitting in a dream lifestyle locale, just off Sydney Road's beloved cosmopolitan strip, it offers a unique mix of old-world grandeur, luxury and convenience, presenting a peerless package for discerning buyers. From a stately verandah boasting bluestone footings and patterned tiling, through to decorative wooden fretwork, bay windows, stained glass, leadlighting, grand mantels, picture rails, plantation shutters and soaring ceilings inside, the home is rich in period features across its four expansive bedrooms. The new rear living area stretches out over dazzling polish concrete floors, flowing from a designer kitchen (deluxe stainless steel Bosch appliances, large central island bench) through meals and lounge spaces, out onto an undercover outdoor entertaining area. Further features include two gleaming bathrooms with rainfall showers, large laundry, ducted heating, split-system heating/cooling, courtyard garden with established trees, ROW access, two off-street parking spaces. Delivering easy Inner North living to your door, the home sits mere metres from trams, trains, bike paths, supermarkets, restaurants, cafés, bakeries, bars and boutique retail. We donate a portion of our fee from every property transaction to the Woodards Foundation to support people experiencing homelessness, family violence and social isolation.
