This newly constructed coastal home enjoys stunning water views across Swan Bay in a sought after Surf Beach location. Nestled on a 533sqm (approx.) block it is just a short walk from one of Phillip Islands best coastline and surf breaks. The upper level of the home features an expansive open plan kitchen with stone benchtops, living and dining area flowing seamlessly through sliding doors to an entertaining deck that takes in the stunning view and surrounds. Conveniently located on this level is the light and bright master bedroom with walk in robe/ensuite and fabulous water views, a second living area with bay views and additional powder room. The lower level offers plenty more space for all the family with three spacious bedrooms, an additional living area, full bathroom with separate toilet and laundry with access to the rear of the home. Additionally, this stunning and functional home includes split system, double garage with internal access, outdoor area designated for boat/caravan storage, and fully fenced with low maintenance landscaping. Whether you are seeking a perfect getaway or permanent family home, this quality property is sure to tick all your boxes for contemporary, coastal living.
