FANTASTIC LOCATION, WITH QUALITY HOME TO MATCH!

With breath taking views of Waubs Bay, Diamond Island and beyond, this immaculately presented brick and tile home is situated in a fabulous location in the popular seaside township of Bicheno. Set on a low maintenance block with double garage, storage area and an all weather enclosed BBQ area with a solar vergola roof and 3kw solar system. This 3 bedroom and 2 bathroom home would appeal to those looking to retire and escape the busy cities for a seachange, or those who would like a special place to spend their holidays. With the beach opposite and just a short stroll to the town centre this is a must see for those looking for that something special.
