This well maintained three bedroom Art Deco charmer brilliantly blends rich period detailing with a modern touch. Securely accessed via ornate entry alcove, the residence opens through to reveal polished floorboards and soaring high ceilings, flowing from the entry foyer through to the light filled lounge and adjacent dining room (with potential open fireplaces). Shining with a contemporary neutral colour scheme, three ample bedrooms (two with built in robes), stylish stone kitchen with fantastic storage, stainless steel appliances plus dishwasher; a sun filled meals area, sparkling bathroom, separate toilet, and laundry. With a gorgeous weeping cherry tree in the front garden, this homely solid brick heartwarmer enjoys beautiful original moulded ceilings and fireplaces. Fully ducted and zone controlled Daikin air conditioning with Wi-Fi/phone connectivity delivers convenient comfort throughout the house year round. Outside there is an established garden, wrap around north east facing courtyard, carport and garage. The Highway is a beautifully quiet street in the highly sought after McKinnon Secondary College and Valkstone Primary School zones, and is ideally situated for ultimate lifestyle convenience, close to Centre Road shops, cafes, restaurants, the RSL club, bus service, the Sunday Markets, multiple parks, reserves, and childcare centres, and a 10 minute walk to the new Bentleigh train station and just a little bit longer to GESAC.
