Discover a slice of paradise in the exclusive and picturesque Razorback, with this rare offering of 2.54 acres providing enchanting views from every vantage point. Tucked away in a serene cul-de-sac, this meticulously crafted Six bedroom residence is tailored for the modern family seeking a peaceful acreage lifestyle. Step inside, where a thoughtfully designed floor plan seamlessly weaves together formal and informal living spaces, adorned with premium finishes that define a home of this caliber. The entrance welcomes you to a gracious formal lounge and dining area, complete with expansive windows framing the panoramic rural landscape. Flowing effortlessly, the open-plan family and meals area sets the stage for comfortable living. The heart of the home, a kitchen that blends functionality with style, boasts stone benchtops, timber cabinetry, a dishwasher, a stainless steel electric oven and cooktop and walk-in pantry. The master suite serves as a retreat, featuring large windows, an expansive walk-in robe, and an ensuite complete with a luxurious corner spa bath, whilst the remaining four bedrooms all generously sized feature timber flooring and built-in robes. A seamless fusion of indoor and outdoor living, the residence offers two covered entertaining areas overlooking the sprawling grounds and a sparkling inground pool—a haven for relaxation and enjoyment. For those with diverse needs, the property accommodates with a triple car garage attached to the house and a substantial 24m x 9m shed featuring phase 3 power, Mezzanine level for extra storage and an office. This is a perfect space for projects, boats, caravans, or even a home business. Perfectly positioned between the beautiful towns of Picton and Camden, and an hour from Sydney and Wollongong, this extraordinary property is a rare gem awaiting your inspection. Act swiftly to secure your opportunity—contact us today for your inspection.
