This split level home is positioned behind a fully fenced entrance that provides total privacy and use of the entire 984m2 block. Behind the gate you are greeted by a welcoming entrance and a gorgeous freestanding pavilion that is fitted with electricity, ceramic heaters and gas for the BBQ, offering a stunning space to entertain in any season. Upon entry to this beautifully presented family home you will feel an instant sense of comfort and tranquility with warm timber flooring and cool wall tones. The unique design provides plenty of space and built in storage for the family to enjoy with subtle separation spanning across the levels, combined with open living and the home is fitted with thoughtfully positioned glass windows and doors to invite a stream of natural light inside and allow for uninterrupted urban views. The stylish kitchen is well equipped with quality European appliances including dishwasher and wall oven and there is plenty of storage and bench space for easy meal preparation. Downstairs you will find a spacious family room that is carpeted for comfort and the adjoining sunroom represents the perfect study or quiet reading nook. You will also find the Master suite on this level that is the perfect parents retreat. It comes complete with air conditioning, a private balcony, walk in robe and luxurious ensuite. The additional bedrooms are also fitted with air conditioning and built-in robes and are well serviced by the family bathroom with separate toilet. Outside you will discover a tranquil leafy Oasis that you will be delighted to explore. There is a lovely lagoon style pool and gazebo for those balmy summer days or relax and enjoy the sunken spa throughout the seasons. Situated in a private cul-de-sac surrounded by a leafy aspect and wonderful neighbours. Be quick to inspect this property!
