Ideally situated in a cosy, quiet close, this wide-fronted acreage-style brick-veneer home offers elegance and practicality. It is also within easy walking distance of multiple exceptional educational opportunities, public transport, an abundance of parklands, trails, and Alira Village, which is set to offer fantastic, convenient, local shopping, including a supermarket, pharmacy and childcare. Boasting a generous 600sqm block with a coveted North-to-rear orientation, this residence backs directly onto the prestigious Heritage College. It's within the catchment zones of Alkira Secondary College and Fleetwood Primary School, and within easy drive of freeway access. The exterior is a delight, featuring a symmetrical array of windows that create a meticulously crafted aesthetic. The lush lawn and tidy hedge gardens are impeccably maintained, and a charming cottage-style cream-white and navy blue picket fence marks the front boundary. An expansive concrete driveway leads to a double lock-up garage with an automatic Colorbond door. Inside, the living spaces are designed for comfort and functionality. Evaporative cooling, ducted heating and a split-system air conditioning system in the open-plan living and dining space provide a pleasant living environment. Triple stacker glass sliding doors lead to a timber deck framed by a luxe stacker-stone feature wall. Classic pendant lighting and wall lanterns add sophistication, while roller blinds to windows offer privacy and light control. The versatile layout includes a study/home office and a separate lounge room. The sunny kitchen features a light aqua blue glass splashback and 20mm stone benchtops. A stainless steel Bosch dishwasher, ample storage space and a 900mm Bellissimo freestanding electric oven and gas burner cooktop make this kitchen stylish and practical. Three well-sized bedrooms vaunt plenty of built-in robe storage. The master bedroom boasts a walk-in robe and a private ensuite, while a separate powder room caters to guests. Both bathrooms are highly-appointed with semi-frameless showers, generously-sized vanity units, frameless mirrors and modern tiles. The main bathroom adds a hob bathtub for the kids.
