\$425,000

You'll find this beautiful home ideally located at the end of a quiet cul-de-sac, backing onto a creek reserve and beside Carne Park. With a two bay workshop, in-ground pool and only one neighbour, this property will make the ideal family home for those buyers wanting the harmony of wide open space, without the acreage price tag! Boasting-

- Fresh internal paint giving this home a welcoming feel
- Large bedrooms, three have built-in-robos and all are air-conditioned and tiled
- Two bathrooms, both have showers and separate toilets
- A Well-appointed kitchen that offers plenty of cupboard and bench space including services through to the patio
- Open plan tiled dining, living room with lots of natural light
- Massive adjoining rumpus room overlooking Carne Park
- Full length party sized patio overlooking the pebblecrete in-ground pool out to the creek reserve
- Two bay block workshop with power and a rear shelter covering the pool pump
- Established gardens and new fencing in the back yard with double gate access into the park
- Two car carport and large front patio, all in all, plenty of room for family, friends and pets

This is the home to inspect with the sellers having it prepped and ready to sell!! 1085m² of land, only one neighbour and all only a few minutes from major shopping, schools and public transport. To have this home on your short list, call today!
