From the entranceway with its wood panelling and leadlight features to the high ceilings, ornate ceiling roses and wide window sills, this solid brick home exudes charm and elegance. Built in 1928 the home features 4 bedrooms all with BIRs, master with ensuite, cosy lounge with stunning leadlight windows and an open fire, dining room with open fire, bathroom with bath, vanity and toilet, wide hallway and laundry. The newly renovated kitchen features a double drawer dishwasher, electric cooking, big pantry and pressed tin splashback. With new timber look flooring and ducted split system throughout as well as solar panels, modern blends with the original features. Outside includes a 3 bay garage with concrete floor, raised garden beds, fruit trees, a rainwater tank and a lovely established garden. Centrally located and with a two minute walk to the main street, you can leave the car at home.
