Not going to waffle on about my 'charms' because I'm a 'manly' property and think it unbecoming for a man to boast. My 'differences' will be apparent when you look at pictures my temporary mistress is threatening to display – even though I asked her to desist. Women – what can a man do...?!.... I guess I can only suggest you call in and check me out because I'm looking for a new partner – after having a ball with my much-loved former partner - for almost 35 years. I'm a quirky, "one-of-a-kind" property, adore human beings and am full of love, laughter and happy memories. Boring stuff: 3 x Beds, 1 x Bath, 1 x Lounge, 1 x Dining, 1 x Family/casual dining area, 1 x large Sitting room. Newly installed: double glazing, rev cycle ducted A/C, paint, carpets, blinds, curtains and lighting. Internet connected. 2 x Huge garages, 2 x carports, 2 x storage sheds. 3 x 2000L Water tanks Gardens and lawns auto irrigated. Even this doesn't tell the whole story - working garage has storage, music, urinal. Lined garage has storage, laundry, toilet, bar area & could be utilized as huge mancave/rumpus/craft/art studio etc. Limited only by imagination. Phone enquiry code for this property : 5590
