This easy-care home is an absolute gem. Renovated beautifully and with all the work done, you just have to move in. The three bedrooms and two bathrooms are spacious and bright as is the open plan kitchen and dining area. Freshly painted and with new carpets in the bedrooms, nothing needs doing. The undercover patio at the rear of the house is perfect for entertaining and the front porch is excellent for simply catching the winter sun and enjoying a coffee. Plenty of space is offered around the house by way of easy gardening and your puppy to run. A double powered garage finishes off this package. You won't be disappointed with your inspection.
