\$620,000

Whether looking for a permanent home or holiday home, this low maintenance home built in 2018 is just what you need when you come to Halls Gap and are ready to unwind, relax, recharge and enjoy all the beauty the Grampians has to offer. With full house reverse cycle air conditioning the home is comfortable all year round. The well designed floorplan features a spacious family, dining and kitchen area opening out to the rear covered alfresco area where you can enjoy time with family and friends as well as the view. Separate to the family area is a carpeted lounge room inviting you to settle in with a good book or turn on the telly. A walk-in robe and ensuite service the main bedroom and bedrooms two and three are both doubles with built-in robes. Tastefully tiled the bathroom includes a custom vanity, full bath, separate shower and a tastic. Additional points to note are a secure under roof garage with auto roll a door, rain water tank as well as town water, electric and solar hot water system and constructed with minimum maintenance in mind enabling you to make the most of your stunning surroundings far from the hustle and bustle. Property Code: 2777
