Inside you'll find the supersized open living spaces, complete with a spacious and stylish kitchen. The impressive breakfast bar will be a great gathering place for family or entertaining friends, with loads of room and sleek stone benchtops. Ensuring the master suite is a tranquil retreat, it is located at the opposite end of the house from the other bedrooms. The master suite layout brings a touch of luxury and style to your every day living that you'll never tire of. The master bedroom and stunning ensuite feature a freestanding bathtub for long soaks and relaxing. Bore water and the 5kW solar system helps to keep the cost of living down.
