Step into a large housesite where well design and attention to detail take center stage. Situated in an exceptionally convenient location near all amenities, this property offers a multitude of possibilities, including the potential for a granny flat or a pool. Upon entering the home, you are greeted by a charming formal lounge featuring cathedral ceilings and timber flooring. Picture yourself cozying up next to the fireplace in this inviting space, right beside the beautiful sunken study with views of the front yard and garden. The modern and spacious kitchen boasts ample cupboard and storage space, a dishwasher, and an electric cooktop. The kitchen seamlessly connects to a dining/meals area, and through the French doors, you'll discover the expansive entertaining deck. As you continue down the hallway, you'll discover three bedrooms, each graced with polished floors and built-in wardrobes. The master bedroom featuring his and her wardrobes, a dressing area, and a private ensuite. One of the bedrooms grants access to the large, private entertainment deck, offering tranquil views of the natural corridor at the backyard.
