With council approved and endorsed plans & permits, renovate the existing California Bungalow style home and build the proposed two story design which features a large open plan kitchen, living and dining domain at its heart that's ideal for entertaining. Gliding out via sliding doors, the equally impressive outdoor areas offer plenty of space for alfresco entertainment once the warmer months roll in. Three robed bedrooms and an extra retreat area offer generous proportions, serviced by a central bathroom, separate toilet, and walk-in robe and ensuite in the master domain. Double garage, and best of all - no body corporate fees. Paired with its lifestyle location with in walking distance to Bendigo, close by to private and public hospital, schools, recreation and so much more.
