Welcome to your dream family home, designed for modern living and effortless entertaining! This stunning residence combines style with functionality, providing the perfect balance for family-friendly living. No expense has been spared with this stunning home and it shows! With its beautiful hardwood and stone top joinery, amazing design and spacious rooms throughout. The spacious open-plan kitchen, dining, and living area form the heart of the home, offering a seamless flow and plenty of space for the family to gather. The kitchen features top-of-the-line appliances, stunning stone tops and ample storage, making meal prep a breeze. The master bedroom, complete with an en-suite and walk-in robe, provides a luxurious retreat for parents. Three additional bedrooms offer comfortable accommodation for children or guests. The well-appointed second bathroom ensures convenience for the whole family. Centrally located is a separate lounge room, ideal for family movie nights. Outside, the undercover entertaining area is an entertainer's delight, featuring a built-in BBQ where you can host gatherings with ease. The separate 7x7m powered shed provides plenty of storage space for tools and outdoor equipment. Other features of this home include a ducted reverse cycle air conditioner, ensuring year-round comfort, and internal access from the double car garage for added convenience. Experience the perfect blend of style, functionality, and comfort in this beautiful family home.
