This is the ideal home for a young family looking to establish their future with a home that they can grow into. Set high on the hill within a comfortable walk to the South East Regional Hospital; this is a well located family home. Offering 3 large bedrooms, high ceilings and wide hallways this home has a throwback styling that will impress. The wide hallways allow excellent natural light to flow into the bedrooms. The large living room has a wood fire and reverse cycle air-conditioner; the kitchen is well set out with walk in pantry maximizing the available space. The large under cover entertaining area overlooks a large, level backyard that is perfect for kids to spend their days playing in. Access beside the house to the backyard is a convenient design feature. The double garage at the back of the property has a practical access from the lane-way at the rear of the home. This is a well priced family home, ready to move straight into - call today to secure your future.
