It's not very often a property of this calibre comes on to the market. This is the first time it has been offered in 30 years, tastefully designed, the 3 bedroom ranch style home sits comfortably at the front of the property. The master bedroom has an ensuite and shared bathroom with the two other bedrooms. The kitchen and dining are open plan with a private lounge. Some external features include an outdoor entertaining area, 6 bay workshop/garage with 2 bays that lock up with concrete floors, hay/machinery shed, enclosed lock up chicken yard, sheep yards, covered bird Aviary used to grow orchids, cattle yards with loading ramp and plenty of water tanks. The property is split into 4 paddocks with a dam in each paddock and rural fencing in good condition. Ideally suited for Horses, Cattle or Sheep. All this just a short 10 minute drive to Seymour or 8 minutes to Tallarook and Tallarook train station.
