\$775 Per Week

A completely modernised and light filled contemporary home, created for everyday living and entertaining. Boasting 3 comfortable bedrooms with built-ins and plush new carpet. The sensational king-sized master suite boasts a stylish en-suite & walk in robe and opens to a private North facing wrap around deck. A sleek full family bathroom with skylight and galley laundry services the other bedrooms and home. The central living spaces feature polished hardwood timber floors and the sleek open plan kitchen offers a wide island bench with breakfast bar overlooking a large versatile dining area and adjacent sunny reading space or home office area. In addition there is also an expansive versatile everyday living room with dark stained timber floors opening through concertina doors to a wide entertaining deck to enjoy the Northerly aspect, and peaceful location. All living spaces are flooded with natural light through large picture windows, and the home enjoys the benefits of ducted gas heating to all rooms with ceiling fans in master bedroom and living area. Positioned in a quiet, elevated position with leafy views to Mt Gibraltar, set on an easy care 540sqm block with terraced lawns, under house storage and off street parking, located close to Bowral walking path and access to public transport..Available early July 2024 To view this property please contact our office on (02) 4868 3236
