Nestled on a private six-acre property, this Western red cedar home offers an inviting and comfortable living space. The open plan kitchen, dining, and lounge area provides plenty of space for family meals or simply relaxing in front of the fireplace. The master bedroom has a walk-in robe and ensuite, while the second and third bedrooms both have built-in robes. There is also a large laundry, a verandah on three sides, and an outdoor, undercover relaxing area that overlooks the dam and acreage. Additional features include a double carport and a shed that is 9m x 6m with a concrete floor and power. The house is situated in a private setting, only 5kms from the town centre. If you're looking to expand and give the little ones more room to simply just be kids, this property is something to strongly consider whilst only being 5kms from the main street of Seymou!
