Recently renovated and eagerly awaiting someone to move in and call it home, 40 Wirraway Street, Moe has had all the hard work done. Freshly painted both inside and out with subtle, neutral tones and durable laminate flooring throughout, create a light and airy feel, complimented by day/night blinds for privacy and an uncluttered look. The spacious lounge offers split system heating and cooling and leads you through to the brand new kitchen with electric oven and gas cooktop, as well as a dishwasher and casual dining area. Two bedrooms are separated by the central hallway, one offering built in storage and both accessing the main bathroom which has a separate bath & shower with a second toilet also available. A single garage and low maintenance landscaping complete this package. Perfect for a first home buyer, investor, or someone wanting a property to downsize to. Call to arrange your inspection today.
