This fantastic 4x2 home stands out as a serious option for anyone looking for awesome value in Byford. With a huge backyard, a large workshop, and a good quality home; the list of features is long! The inside of the home has been beautifully presented with large living areas and there's plenty of extras including roller shutters, ducted reverse cycle a/c and solar panels. The kitchen is at the hub of the home and overlooks the family/dining areas and through to the alfresco, making it an ideal pad for those who like to entertain. There is a big walk-in pantry, stone bench tops and a 900mm stove; making this a super functional space for everyday use. The large secondary bedrooms feature built in robes and the main bathroom has a separate bathtub - perfect for families with little ones. The back yard has a good sized alfresco area and plenty of room to move with simple lawns and is a bit of a blank canvas to put your own touches on. Like to tinker? You'll love the workshop in the backyard, which is a rare treat these days! Byford is moving forward fast, and now is the opportunity to buy a great home at a price you will be bragging about for years!
