A sophisticated celebration of light and proportion in a peaceful position just metres from Westfield Doncaster, this remarkable, three bedroom penthouse embraces the northern light while framing a spectacular panorama that spans all the way to Kinglake Mountain. An impressive half-floor floor plan merges three wonderful balconies with a surreal sense of privacy and first-class appointments to attract the most discerning of urban buyers. Marvel at the staggering dimensions of an open-plan kitchen / dining / living that is underpinned by granite benches and a SMEG oven / cooktop, as four sets of double doors connect seamlessly to two of the home's three sunny balconies. Meanwhile, each of the bedrooms has been appointed with space-enhancing mirrored built-in robes - the main also with an ensuite, while the remaining bedrooms share balcony access, plus there is a large central bathroom and a concealed laundry. Accessed securely by intercom entry, this exclusive haven of fine tyle also features secure basement parking for three vehicles, a storage unit, split system heating and air conditioning. Walk easily through pedestrian gates to all the shopping, dining, cafes and cinemas of Westfield Doncaster, plus you can wander also to Doncaster Primary School, Schramms Reserve and further on to Ruffey Lake Park, while the Eastern Freeway and its highly convenient Park & Ride service is also nearby.
