Prospect is a luxurious residential community and a stunning local landmark in the heart of Box Hill.

An inviting, hotel-style porte-cochère is found at Prospect's entry, giving way to the tower's apartments and communal amenities. Paired with these convenient amenities is a building concierge - providing a scope of services, from house cleaning, transportation arrangements and the coordination of events. Not to mention about enjoying five-star amenities - including a heated pool, gym, sauna, lounge area and bbq area.

The attention to detail carries over to the finishes in the apartments, using quality materials with world-class design and the result is a collection of enduring residences, capturing natural light and finished with SMEG appliances. Prospect seamlessly blends the best of modern convenience and timeless design aesthetic.

Located away on tree-lined Prospect Street, this quiet location is only 100m away from Box Hill Central shopping area. Only 20 minutes by car to the CBD, Box Hill is already a major retail, transport and residential hub of Melbourne with an even greater vision in its future with its bustling retail shops and eclectic restaurants right at your door step. Excellent government and private schools are nearby including zoning for Box Hill High School with Box Hill hospital, parklands and public transport are just a short stroll away.
