Built in 1975 and enjoyed by the one family ever since, this distinctive split-level home has been expanded and renovated to deliver a lifestyle of flair and flexibility - all on 618sqm of land (approx) in the sought-after Strathmore Secondary College zone. Immaculately presented throughout, the home's welcoming interior comprises a large master bedroom with WIR and deluxe ensuite, as well as two additional bedrooms (BIRs), modern central bathroom and guest powder room. Add to this an elegant lounge with vaulted ceiling, spacious living room with wet bar and open dining area adjoined by a stone-bench kitchen with soft-close cabinetry, St George cooking appliances and Bosch dishwasher. Other stand-outs include gas heating, ducted evaporative cooling and additional wood heater, along with new carpets, a family-sized laundry and excellent storage options throughout. Completing the picture is a lush north-facing backyard garden with alfresco-style entertaining area and built-in BBQ, plus two handy storage sheds and front double carport. Walking distance to the bus stop (on Mascoma Street), Matthews Avenue trams and Westfield Shopping Centre, it's also close to Boeing Reserve and Moonee Ponds Creek Trail, as well as easy access to the Tullamarine Freeway and Western Ring Road.
